Community organizations which are not registered charities or qualified donees with the Canada Revenue Agency can be eligible to apply for grants from the Foundation through formalized partnership agreements with an agency that is qualified.

The registered charity or qualified donee must:

- Agree to having their charitable registration number used on the application form
- Accept any flow-through funds on behalf of the applicant, and;
- Provide a letter stating their agreement to the grant application.

The letter must accompany the application at the time of submission.
