## PRESIDENT’S MESSAGE

As I reflect on this year I am filled with gratitude and pride in reflecting on the achievements and growth of the Prince George Community Foundation. This year has been marked by significant milestones and new opportunities that have strengthened our commitment to creating a positive and lasting impact in our community.

### Community Impact and Granting Highlights

Our grant programs reached great heights this year, supporting a diverse range of projects and initiatives that uplift our local organizations and, by extension, the people they serve. Thanks to the generosity of our donors and the tireless work of our grant recipients, we were able to fund programs focused on youth development, environmental sustainability, mental health, and more. Each grant we awarded was a testament to the strong partnerships we’ve cultivated with local non-profits, and the positive results we’ve seen reaffirm our commitment to the causes that matter most to our community. It was our honor to grant out over \$1MM this year.

### Strengthening Partnerships

In 2024, we deepened our collaborations with local organizations, businesses, and government partners, reinforcing our role as a trusted community leader. These partnerships allowed us to amplify our impact and expand our reach. We also celebrated receiving an award from the PG Chamber of Commerce, a meaningful recognition of the work we do in partnership with our community.

### Looking Ahead

As we move forward, we do so with a renewed focus on sustainable growth, community partnerships, and impact-driven initiatives. We remain committed to creating meaningful change and look forward to the coming year with optimism and enthusiasm for all that we can accomplish together.

Thank you to each of you—our board members, staff, donors, fund holders, volunteers, and community partners—for your unwavering support and belief in the work we do. Together, we are making a lasting difference in the lives of those in Prince George and Northern BC, and we couldn’t do it without you.

With warm regards and heartfelt appreciation

Zahid Islam  
President,  
Prince George Community Foundation

We were honored to once again take part in **Miracle Theatre's** incredible work to uplift our community. This year, their production of *A Comedy of Tenors* raised an astounding **\$180,025.00** to fund the City's first Wildfire Structural Protection Unit. We are deeply moved by the community's generosity and the continued dedication shown through Miracle Theatre. ## THANK YOU NOTES FROM SCHOLARSHIP & BURSARY RECIPIENTS

THANK YOU FOR SELECTING ME AS THE GRADUATE CHOSEN TO RECEIVE THE SPRINGBOARD TO SUCCESS SCHOLARSHIP. I SINCERELY THANK YOU FOR MAKING THIS GENEROUS AWARD POSSIBLE. I AM TRULY GRATEFUL FOR THIS FINANCIAL ASSISTANCE THAT WILL ASSIST WITH MY POST-SECONDARY PURSUITS.

I AM HONOURED TO ACCEPT THIS BURSARY, IT WILL HELP ME REACH MY GOAL OF SPREADING JOY THROUGH MUSIC.

I would like to give a huge thank you for awarding me the Dr. Amanda Asay Memorial Bursary. It truly means a lot to me, as it will help me through my university years. I will be working towards a bachelor of Arts-English degree, a minor in Commerce/Business, and earning my Bachelor of Education to achieve my dream job, an Elementary School Teacher.

This scholarship will help me achieve my academic and career goals. Your support is not exclusively financial but also a source of motivation for me to strive for my best. I am committed to making the most of every opportunity I come across, and giving back to my community just like you've done for me.

# INCREASING COMMUNITY SUPPORT TO CAUSES

Community organizations are essential contributors to our community's well-being, influencing our quality of life in diverse areas such as arts, culture, and poverty alleviation. A thriving community is inconceivable without the dedicated efforts and impact of numerous charities. These organizations often serve as crucial pillars for our most vulnerable citizens, shedding light on inequalities and advocating for innovative programs.

It is a privilege for us to contribute to community-driven projects each year through our grant programs, aligning with our commitment to support and enhance the initiatives that make our community vibrant and resilient.

**\$1,047,490 Million**  
in grants given last year!

# COMMUNITY IMPACT

## **HOPE AIR IS NOT AN AIRLINE, IT'S A LIFELINE.**

For many low-income Prince George residents, accessing critical medical care means facing overwhelming barriers—

traveling long distances, financial strain, or delaying vital treatments. Hope Air has been able to provide over 1,300 travel arrangements in 2023, helping families in our community reach essential care far from home.

Hope Air ensures that no patient in financial need has to cancel or delay care, offering flights, accommodations, and meals. Together,

we're making healthcare accessible and easing the burden for Prince George families during their most challenging times.

## **BRIDGING THE DIGITAL DIVIDE FOR SENIORS**

A vital pilot project is bringing technology training to seniors in our community, addressing a growing need for digital literacy. This initiative has created a welcoming training lab equipped with computers, desks, and supplies, and recruited skilled volunteers to provide hands-on instruction.

This program, created by Spruce Capital Seniors Recreation Society, goes beyond teaching seniors how to navigate the online world—it restores confidence, independence, and connection. By

empowering seniors to book appointments, manage tasks, and engage with family via video calls, this project strengthens their mental well-being and reduces isolation, ensuring seniors in Prince George feel connected and capable in today's digital age.

# COMMUNITY IMPACT CONTINUED

## CREATING ACCESSIBLE ARTS FOR ALL

Thanks to Theatre North West and a grant from the PGCF, a transformative project is making a local venue more inclusive. The addition of an Assistive Listening System and portable Stage T-lift will remove barriers for patrons with hearing impairments and mobility challenges.

This initiative ensures crystal-clear sound for all and provides Prince George's first fully accessible stage, opening opportunities for artists and audiences alike. PGCF is proud to support this vital step toward a more inclusive and vibrant arts community.

## CULTIVATING SUSTAINABILITY AND COMMUNITY

REAPS is launching the Growing Knowledge Community Compost Garden—a space to educate and inspire sustainable food production and environmental stewardship.

Featuring food gardens, composting displays, and resources on soil health, regenerative gardening, and pollinator-friendly planting, the garden provides hands-on learning for all. Produce grown will be donated to local social

service organizations, supporting those in need while promoting sustainability.

This innovative project, which not only enriches environmental education but also strengthens the bonds of community care.
